

Charting crucial progress in materials research

Material Horizons

Exceptional innovation progressing materials science

Editorial Board Chair

Martina Stenzel University of New South Wales, Australia

rsc.li/materials-horizons

Journal of Materials Chemistry A

Materials with applications in energy & sustainability

Editor-in-Chief

Anders Hagfeldt Uppsala University, Sweden

rsc.li/materials-a

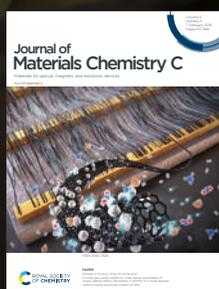

Journal of Materials Chemistry B

Materials with applications in biology & medicine

Editor-in-Chief

Jeroen Cornelissen University of Twente, The Netherlands

rsc.li/materials-b

Journal of Materials Chemistry C

Materials with applications in optical, magnetic & electronic devices

Editor-in-Chief

Natalie Stingelin Georgia Institute of Technology, USA
